

Dear Yueh Tung Customers,

The health and safety of our customers and our staff is our number one priority.

As the situation around Covid-19 continues to evolve, we are closely monitoring and following the latest guidance from local, federal and provincial health authorities including the Public Health Agency of Canada.

We will continue to ensure that our policies, procedures and protocols are aligned with the latest health recommendations. Specifically, we will be removing our dine-in section as of Tuesday March 17, 2020 in a community effort to protect the health of our city.

We are offering take-out and delivery through delivery services such as Uber Eats, Door Dash, and MealPal between the hours of 11:30 am to 8:00 pm. If you have any questions, please give us a call or visit our website www.yuehtungrestaurant.com

As the situation continues to evolve in the city we will continue to update our social media account on instagram @yuehtungrestaurant and this website to inform you of any changes we make.

Thank you for your patience and understanding during this challenging time.

Yueh Tung Team
